

# PRATYUSH ADHIKARI

## COMPUTER ENGINEER

Matatirtha 08,Kathmandu,Nepal | +977 9813841152 | adpratyush@gmail.com |

[www.pratyushadhikari.com.np](http://www.pratyushadhikari.com.np)

Computer Science Engineer with a focus on building efficient, scalable solutions, eager to take on complex challenges and apply analytical thinking to drive technological innovation. I have demonstrated proficiency in software development, algorithm design, and collaborative problem-solving across cross-functional teams. Skilled in translating real-world problems into technical solutions through clean, maintainable, and high-performance code.

### AREA OF EXPERTISE

PHPI Django | Html | CSS | Javascript | Wordpress | MERN | Angular | Mysql | React | MongoDB

Ms Office Tools- Ms Word | Ms Excel | Ms Powerpoint | Ms Outlook

### PROJECTS

#### Resort Booking Website - [Hosted](#)

- Built a full-stack resort booking website using HTML, CSS, JavaScript, PHP, and MySQL, focusing on responsive and user-friendly design.
- Implemented key features including booking functionality, payment gateway integration, and automated bill generation for a seamless user experience.
- Deployed and hosted the website, demonstrating end-to-end development skills from backend logic to front-end design and live deployment.
- Integrated user authentication and admin dashboard for managing bookings, payments, and customer data securely.

#### Food Ordering Website - [Github](#)

- Built a full-stack food ordering website using the MERN stack (MongoDB, Express.js, React, Node.js) with a responsive and interactive user interface.
- Implemented essential features like dynamic menu display, cart functionality, user authentication, and order management.
- Designed and connected RESTful APIs, handling seamless data flow between the front end and MongoDB-powered backend for a complete functional prototype.
- Integrated role-based access control, allowing separate views and functionalities for users and administrators to manage orders and inventory efficiently.

### EDUCATION

#### B.Tech in Computer Science

Dec 2021- May 2025

Visvesvaraya Technological University, Bangalore, India

CGPA: 8.24 out of 10

Percentage:82.40%

#### Masters in Business Administration (MBA)

Ongoing

School Of Management Tribhuwan University

### ADDITIONAL INFORMATION

- **Languages:** Nepali, English, Hindi.
- **Hobby:** Football , Motorcycle Riding
